## **CANADA'S NUMBER ONE DINNER THEATRE CELEBRATES ITS GRAND RE-OPENING WITH A NEW LOOK AND AN EXCITING 2011/2012 LINE UP**

*Mayfield Dinner Theatre launches the season with  
'Four Lads Who Shook the World. The Beatles Story: Part 1'*

**EDMONTON, ALBERTA, SEPTEMBER, 2011** – Canada's number one dinner theatre has re-opened its doors following a \$2.5 million facelift this summer. Sure to delight the many loyal patrons of the theatre, the renovation includes acoustic and lighting improvements as well as an expanded culinary program. The updates were unveiled September sixth to a sold-out crowd attending the British-themed performance of 'Four Lads Who Shook the World. The Beatles Story: Part 1.'

Thanks to the extensive renovation project that started in July, show-goers will be welcomed with a new entrance and lobby as well as layout and technical changes to improve the overall guest experience. Under the direction of Executive Chef, Joe Kennedy, the theatre's culinary program was also included in the up-grade with a new and improved salad and seafood bar, a beef carving station and additional hot entrees and desserts.

Themed to each performance, Chef Kennedy gets playful with this season's opening menu that includes Prime Rib of beef with au Jus and Yorkshire pudding, Butter Chicken, Bread Pudding and Vanilla Custard and as well as 'Day Tripping' daiquiris and 'Hard Days Night' margaritas.

"Four Lads Who Shook the World" tells the story of The Beatles' early beginnings in 1957 through to their last live performance in America in 1966. This musical revue visits the triumphs and challenges that they encountered through their meteoric rise to fame and fortune; all set to the infectious music of four lads who shook the world.
